

2020-2021 Annual Catalogue Paper Share

In the Annual Catalogue there is a great range of Designer Series Paper. By participating in a Paper Share, you get to have a share of all the Designer Series Paper without the layout for purchasing entire packs.

This catalogue offers 12 packs of 12'x12' Designer Series Papers. By participating in a paper share you will receive 48 **pieces of 6"x12"** pieces of Designer Series Paper.

Each pack can be split between 4 people (most of the time) so I have divided the cost by 4 and others according to what sheets came in each pack.
